

SERVICE CHARGES & PRICING

Web Development | Instagram Growth & Marketing

This document outlines the services I provide as a freelancer, along with the pricing structure for each service. Please review it carefully before we begin working together.

1. Website Development

I build both static and dynamic websites based on your requirement.

A) Static Website

Package	Price
1 to 3 Pages	₹3,000 (starting)
More than 3 Pages	Price increases as per number of additional pages

B) Dynamic Website

Package	Price
Dynamic Website	Starting from ₹7,000
Admin Panel (to add/manage products)	Available as an add-on

Note: If an admin panel is required for product management, it will be included and set up by me on request.

2. Instagram Marketing Services

- Base package includes 2 posts uploaded per week.
- Need more posts per week? Additional posting frequency is available at extra cost.
- Boosting, reach growth, ad campaigns, and gaining followers/likes are handled based on your specific requirement.
- Final pricing for Instagram services is customized as per the client's goals (reach, followers, engagement, ad budget, etc.).

3. Important Terms & Conditions

- Your Instagram account ID will be used by me to manage and post content.
- Your account password will not be shared with anyone. This is my personal commitment to you.
- If you share your password with any third party on your own and your account gets hacked or compromised as a result, I will not be held responsible for it.
- The monthly service charge must be paid on time. Any delay in payment will directly result in a delay of work.

4. Payment Terms

Payment is to be made on a monthly basis as agreed. Work will continue only as long as payments are received on schedule. In case of delayed payment, service/work will be paused until the dues are cleared.

Client Acknowledgement

I have read and understood the above pricing and terms, and I agree to proceed on this basis.
